ORCHIDS-
THE
ADVENTURE
RETURNS

75TH
SANTA BARBARA
INTERNATIONAL
ORCHID SHOW

VENDORS & EXHIBITORS ✪ We are delighted to announce the return of in-person showing at the Santa Barbara International Orchid Show, popular with local, regional and international visitors. In recognition of our hiatus due to the pandemic, our March 2023 theme is “Orchids - the Adventure Returns.” You are invited to submit an application to participate as a vendor and/or exhibitor this spring.

VENDOR APPLICATIONS ✪ Submit online at www.sborchidshow.com. Acceptance of applications and assignment of sales booths is at the discretion of the SBIOS Board of Directors. All applications must include a valid Sellers Permit number issued by the California Department of Tax and Fee Administration and a signed copy of the Waiver of Liability (see attached form below). Participants are required to maintain appropriate insurance and provide a Certificate of Insurance with their application.

EXHIBITOR-ONLY APPLICATIONS ✪ submit online at www.sborchidshow.com. Acceptance of applications and assignment of display locations is at the discretion of the SBIOS Board of Directors. All applications must include a signed copy of the Waiver of Liability (see attached form below) and a Certificate of Insurance.

DISPLAYS ✪ The Show arranges for ribbon and American Orchid Society judging, held this year on Thursday, March 9, 2023. All exhibit installation must be completed by 8 PM on Wednesday, March 8, 2023. ALL ORCHID PLANTS MUST BE PROPERLY LABELED AND UNDYED. The 2023 Exhibitor’s Guide will be available online prior to the Show.

AOS & RIBBON JUDGING ✪ Exhibitors are responsible for AOS judging fees or must exhibit a “Do Not Judge” sign to decline AOS judging. There is no cost for ribbon judging.

COVID PREPARATION ✪ Current SB County regulations recommend but do not require that masks be worn indoors by all individuals. The Board encourages all vendors and exhibitors to be vaccinated for a safe and healthy event. Currently the US requires proof of vaccination for non-US air travelers; please keep abreast of changes in travel requirements.

We look forward to your participation in our return to in-person shows.

SELLER'S PERMIT:

A copy of your current and valid Seller's Permit issued by the California Department of Tax and Fee Administration **must** be displayed at your vendor booth. Non-California businesses may obtain a free temporary Seller's Permit online. State agents visit orchid shows to check for permits.

For further information, see the California Department of Tax and Fee Administration website:

<https://www.cdtfa.ca.gov/taxes-and-fees/faqseller.htm>

https://taxes.ca.gov/Sales_and_Use_Tax/SellersPermit.html

<https://www.cdtfa.ca.gov/industry/temporary-sellers.htm>

The CDTFa also may be reached Monday through Friday 8 AM TO 5 PM Pacific Time at 1-800-400-7115 (toll free in the US) or 1-916-445-6362 (outside the US).

PLANT SALES:

- Vendors selling orchids or other plants are asked to install a display of at least 25 square feet (100 square feet for vendors with 2 or more booths) on the Wednesday prior to the Show.
- Exhibitors and vendors must follow **CA Agricultural Commissioner requirements**. All plant material must be free from pests and diseases.
- Owners of imported plant materials must be prepared to provide copies of **phytosanitary** and **CITES** documents on demand. Any violations of CITES regulations will result in the vendor being prohibited from participating in the current and future Santa Barbara International Orchid Show.
- All plants must be **nursery grown** and not obviously collected from the wild. If bare root plants are sold, a culture sheet for the genus should be provided by the vendor.
- All plants must be **properly labeled**. Seller contact information must be available to purchasers either on the plant label, receipt or a business card.
- Per SBIOS policy, colored dot stickers, supplied by the Show, must be fixed on each plant that is sold. Dots will be checked by security at the sales area exits.
- The sales price of all plants and materials must be clearly marked. All sales are final between the seller and buyer. Santa Barbara International Orchid Show accepts NO responsibility for these transactions.
- The Santa Barbara International Orchid Show accepts no liability for shipments shipped directly to the Show. Large shippers **MUST** notify the Show Management to make arrangements for safe delivery.
- All displays are entered automatically in ribbon judging. Exhibitors are responsible for AOS judging award fees. Exhibitors declining AOS judging must display a "Do Not Judge" sign. There is no fee for ribbon judging.

People who sell tangible personal property (merchandise) in California are generally required to hold a seller's permit. You **may not** sell at this event without a seller's permit, unless you are not required to hold one. You are required to have a permit if you are selling, even temporarily, new or used merchandise, including items you purchased for the purpose of reselling to others. You are not required to hold a seller's permit if you are only making "occasional" sales (see below), selling products that are not taxable when sold at retail, or selling on behalf of a section 6015 retailer (see below).

You may register for a seller's permit by visiting our website at www.cdtfa.ca.gov. If you obtain a temporary seller's permit, the business address on that permit should be the address of the temporary selling location and the mailing address should be your permanent place of business or residence.

Occasional and Nontaxable Sales—Due to the number, scope, and character of their selling activities, some sellers are not required to hold a seller's permit. For example, a person who is disposing of unwanted household items, and does this no more than twice in any twelve month period, is generally considered to be an occasional seller. Also, some sellers who make only nontaxable sales are not required to hold a seller's permit. Examples include sellers of fresh produce or other cold food products sold exclusively "to go." Please note, however, some food sales are taxable, including sales of food for consumption in places where admission is charged, including some swap meets or flea markets.

Section 6015 Retailers—Revenue and Taxation Code section 6015 relieves certain individuals of the requirement to obtain a seller's permit when: (1) the product supplier is a CDTFA approved section 6015 retailer, (2) the product supplier reports and pays tax on the actual "retail selling price," (3) the individual is selling only those items purchased from the section 6015 retailer, and (4) the individual provides the name of the product supplier. Typical section 6015 retailers include multi-level marketing retailers that solicit sales through a network of individual salespeople/representatives (for example, Avon, Tupperware, etc.).

IMPORT REQUIREMENTS FOR ORCHIDS

The County Agricultural Commissioner's Office must be notified of the arrival of all plant material from outside the state or country, and the plant material must be held for inspection. Plants should be free of injurious insects and diseases.

FROM HAWAII

All plants must meet the entry requirements of California's Burrowing and Reniform Nematode Quarantine by meeting conditions a, b, or c below.

- a. Invoice/containers stamped with Hawaii Department of Agriculture "Bench grown/Soilfree" certificate.
- b. Invoice/containers stamped with Hawaii Department of Agriculture nematode certificate.
- c. Inspector (county) determines that plants are epiphytic and are grown exclusively in or on soil-free material such as osmunda fiber, tree fern trunk or bark.

FROM FOREIGN COUNTRIES

All plants must satisfy the entry conditions of the USDA and California Department of Food and Agriculture.

- a. Plant material must be inspected by USDA officials at the US port of entry.
- b. Phytosanitary certificates and import permits may be required.
- c. Shipper must provide valid CITES (Convention on International Trade of Endangered Species) certification from the country of origin. Seedling flasks, tissue cultures, seed pods, and cut flowers are generally exempt from this requirement. Note: Because of CITES regulations, there may be restrictions on returning to your origin country with orchids which you brought into the USA. Contact agriculture officials in your own country for more information.
- d. Plants should be bare root (exception: epiphytic plants mounted on approved materials such as tree fern trunks or coconut husks.)
